- B. Remit authorized premium subsidy payments for enrolled eligible persons and enrolled dependents to any fully insured group health insurance plans on a periodic basis, as established by agreements with the providers of those plans. [2005, c. 636, Pt. A, §3 (NEW) .]

5. Enrollment. A county or municipal law enforcement officer, a municipal firefighter or a person retired from such a position is eligible to enroll in the program. An eligible person who fails to enroll in the program pursuant to this subsection is not otherwise eligible to enroll in the program and is not eligible for the premium subsidy provided pursuant to this section for enrollment in any other health plan. Notwithstanding

the date of enrollment, insurance coverage is not effective until the date of retirement or July 1, 2007, whichever occurs later. Eligible persons may enroll themselves, their spouses and their dependents in the program during the following time periods:

A. When the effective date of hire of the eligible person is on or before November 1, 2006, the eligible person must enroll in the program before January 1, 2007, subject to the enrollment and eligibility requirements of the applicable group health plan; [2005, c. 636, Pt. A, §3 (NEW).]

B. When the effective date of hire of the eligible person is after November 1, 2006, the eligible person must enroll in the program no later than 60 days following the effective date of hire, subject to the enrollment and eligibility requirements of the applicable group health plan; or [2005, c. 636, Pt. A, §3 (NEW).]

C. Notwithstanding paragraphs A and B, when the eligible person, the eligible person's spouse or the eligible person's dependent experiences an involuntary loss of other health insurance coverage carried as of January 1, 2007 or 60 days following the date of the eligible person's hire, whichever is later, the eligible person may elect to enroll in the program no later than 60 days after the effective date of the loss of that coverage, subject to the enrollment and eligibility requirements of the applicable group health plan. Involuntary loss of coverage does not include a loss of coverage arising as a result of nonpayment of premiums. [2005, c. 636, Pt. A, §3 (NEW).]

[2005, c. 636, Pt. A, §3 (NEW).]

6. Premiums; subsidy. Premiums for the program and the premium subsidy are subject to the provisions of this subsection. Premium subsidies are not provided for supplemental health insurance coverage.

A. An enrollee participating in the majority multiple-employer welfare arrangement is responsible for the premium payment associated with the cost of the majority multiple-employer welfare arrangement benefit option in which the enrollee is participating, to the extent such premium obligations exist following the application of any premium subsidy authorized by law. An enrollee who fails to remit the premium payments as established and required by the majority multiple-employer welfare arrangement must be disenrolled from the program. Beginning July 1, 2007, the State shall provide a premium subsidy for enrollees in the form of a direct payment to the majority multiple-employer welfare arrangement for each enrollee. The level of the subsidy must equal 45% of the individual premium cost for the enrollee and varies among enrollees depending upon the terms of the majority multiple-employer welfare arrangement coverage plan in which each enrollee is participating. Enrollees are responsible for the balance of the applicable individual premium, as well as the total cost of the premium for any applicable dependent coverage, and shall make payments directly to the majority multiple-employer welfare arrangement. [2005, c. 636, Pt. A, §3 (NEW).]

B. Enrollees retiring from counties or municipalities that do not participate in the majority multiple-employer welfare arrangement but who are eligible and elect to participate in that county's or municipality's fully insured health benefits plan are responsible for the premium payment associated with the cost of that plan, to the extent such premium obligations exist following the application of any premium subsidy authorized by law. An enrollee who fails to remit the premium payments as established and required by the fully insured plan must be disenrolled from the program. Beginning July 1, 2007, the State shall provide a premium subsidy for enrollees participating in fully insured health benefits plans pursuant to this subsection. This subsidy must be made in the form of a direct payment to the enrollee's health benefits plan and must equal 45% of the individual premium cost for the enrollee or a dollar amount equivalent to the highest premium subsidy provided in accordance with paragraph A, whichever is less. A retiree electing to enroll a spouse or a dependent in the program is responsible for payment of 100% of such coverage in addition to that portion of the retiree's individual premium cost not contributed by the State. [2005, c. 636, Pt. A, §3 (NEW).]

[2005, c. 636, Pt. A, §3 (NEW).]

7. Fund established. The Firefighters and Law Enforcement Officers Health Insurance Program Fund is established as a nonlapsing, dedicated account administered by the division. Money appropriated by law for the purpose of paying premium subsidies must be deposited in the fund. Premium dividends accruing to the State, return of premiums resulting from risk reduction programs, active employee contributions pursuant to subsection 8 and any other receipts must be deposited into the fund to be used for the purposes of the program. The fund is a pooled account. Individual law enforcement officers and firefighters do not have a right to money deposited in the fund except to the extent premium subsidies are available to program enrollees.

[2005, c. 636, Pt. A, §3 (NEW) .]

8. Employee contributions to the fund. The contributions of enrollees to the fund are governed by this subsection.

A. Beginning January 1, 2007, each enrollee who participates as an active employee in a retirement plan shall contribute 1.5% of that enrollee's gross wages to the fund. [2005, c. 636, Pt. A, §3 (NEW) .]

B. The employer of an enrollee required to contribute to the fund shall remit on a monthly basis that enrollee's contribution to the fund. [2005, c. 636, Pt. A, §3 (NEW) .]

[2005, c. 636, Pt. A, §3 (NEW) .]

9. Retirees without 5 years of contributions to fund. A person who retires without making 60 months of contributions to the fund but who meets the other eligibility criteria of subsection 3, referred to in this subsection as "the retiree," is eligible to participate pursuant to this subsection.

A. The retiree is eligible for coverage under the program upon enrollment. [2005, c. 636, Pt. A, §3 (NEW) .]

B. The retiree shall pay the dollar equivalent of the retiree's scheduled contributions based upon the following schedule:

(1) A retiree who is at least 50 years of age and under 55 years of age shall pay 2% of that retiree's average final monthly compensation multiplied by 60;

(2) A retiree who is at least 55 years of age and under 60 years of age shall pay 1.75% of that retiree's average final monthly compensation multiplied by 60; and

(3) A retiree who is at least 60 years of age shall pay 1.5% of that retiree's average final monthly compensation multiplied by 60.

As used in this paragraph, "average final monthly compensation" means the average annual rate of earnable compensation, divided by 12, of a retiree during the 3 years of creditable service as a county or municipal law enforcement officer or municipal firefighter, not necessarily consecutive, in which the average annual rate of earnable compensation is highest or during the retiree's entire period of creditable service as a county or municipal law enforcement officer or municipal firefighter, if the period is less than 3 years. [2005, c. 636, Pt. A, §3 (NEW) .]

C. If the retiree has made contributions to the fund while employed as a county or municipal law enforcement officer or municipal firefighter, the retiree shall pay the difference between:

(1) The total of the retiree's employee contributions required pursuant to paragraph B based on the retiree's age as of the date of retirement; and

(2) The dollar equivalent of the retiree's scheduled contributions for 60 months pursuant to subsection 8. [2005, c. 636, Pt. A, §3 (NEW) .]

D. The retiree shall make the payments required by paragraph B or C to the division within 12 months of enrollment in the program. A retiree who fails to make the required payment within 12 months of enrollment must be disenrolled from the program. [2005, c. 636, Pt. A, §3 (NEW).]

[2005, c. 636, Pt. A, §3 (NEW) .]

10. Coverage under the program. The benefits, copayments and deductibles under the program are determined by the fully insured health benefits plan in which the retired enrollee participates. Pursuant to the rules of the applicable plan, a retired enrollee is required to participate in the same health insurance plan as the active employees of the unit of government from which the enrolled person has retired. Participation in any qualified health insurance plan is subject to the rules of that plan.

[2005, c. 636, Pt. A, §3 (NEW) .]

11. Volunteer and call firefighters and reserve law enforcement officers. A member of a volunteer or call firefighters' association in this State, as well as a person serving as a county or municipal law enforcement officer on a reserve basis, is eligible to participate in the program of health benefits coverage established pursuant to the eligibility criteria and other provisions set forth in Title 24-A, chapter 87 if that person meets the eligibility requirements under that chapter.

[2005, c. 636, Pt. A, §3 (NEW) .]

12. Report. The division shall submit a report to the joint standing committee of the Legislature having jurisdiction over insurance and financial services matters in the Second Regular Session of the 124th Legislature, and biennially thereafter, on the status of the program, program participation and the financing of the program, including the status of the fund, expenditures from the fund, current and projected premium costs to the program and to program enrollees and a projection of funding needs for the next 5 years. The report must provide options, based on projections of future need, for changing the method of funding any state-paid premium subsidy, if such a subsidy is authorized by law, and employee contributions.

[2005, c. 636, Pt. A, §3 (NEW) .]
